NORTH HARTFORD

John F. Davenport

John F. Davenport passed away at his home in Hartford April 24 at 8:30 p. m., after a long and painful illness.

Mr. Davenport was born in Sumner, the son of Daniel, Russel Davenport and Columbia (Keay) Davenport and was 57 years of age. They had two children, Percy and Wilma Davenport. For several years Mr. Davenport lived on a farm above Labrador Pond in Sumner and moved to Hartford about 15 years ago. He was an industrious and prosperous farmer, a kind neighbor and a loving husband and father.

He is survived by his wife and two children, one grandchild, also three brothers, Henry, Albert and Adelbert Davenport, and three sisters, Mrs. Abbie Noyes, Mrs. Susie Garey and Mrs. Alice D. Turner, all of Sumner.

The funeral was held at the home Saturday at 11 o'clock. Rev. C. G. Miller assisted by Rev. Rogers of South Paris officiated.

The beautiful floral offerings were in great profusions. Among them to be much noticed and appreciated were one and one-half dozen carnations from the pupils of Tyler School, Wilma Davenport, his daughter, being the teacher. The funeral was largely attended by relatives and friends, all of his brothers and sisters being present. The interment was at Pleasant Pond Cemetery at West Sumner.

SOUTH ALBANY

Mrs. Ruth Kimball and daughter Verma and Frances McAllister attended the garage sale at North Waterford Saturday night.

Mr. and Mrs. C. W. York and Mr. and Mrs. Ed. Jackson of Andover were at their farm here Sunday. They came to make arrangements for the spring work on the farm. They will have a quantity of vegetables, garden truck, etc. planted and cared for.

Pearl Weymouth has sold his place here to Ingalls McAllister of Grover Hill. Mr. Ingalls has moved his family and part of his household goods to the place. Mr. McAllister's two brothers, Will and David McAllister, went with their teams and brought them down.

Junie Brown has been sick and out of school some days. She is out again now.

We are sorry that Burton Patterson has sold his place and will move away. The going away of such a good family as this is surely a loss to the community and they will be greatly missed from among us.

Mr. Bragg of South Waterford came to Merritt Sawin's Monday and bought a calf to mate one which he had. Mr. Bragg has several pairs of steer calves and some older ones. Mr. Sawin also sold two heifer calves to Charles Chaplin of South Waterford. Mr. Chaplin is raising some nice Durham stock.

Mr. Bennett of Harrison and W. W. Abbott of South Waterford were here Friday in the interest of Burdick & Morrill's Corn Shop at South Waterford.

The swallows came back here Friday morning. One pair came in advance and were so overjoyed to get back that they flew high and low and circled around until one alighted on the peak of the stable roof and there he cheeped and chirped and ruffled his feather and fluttered his wings as though he was fairly insane with delight. My lady sat on the place which they had chosen as the place to build their little home and answered note for note. "She perked her little head, looked this way and that as much as to say 'Just hear that, will you? Now did you ever hear the like of it?' and was nearly bursting with pride and admiration for her lord and master. One pair of swallows have built and lived for the summer in the same place for several years. Whether they are the same ones or not, we do not know, but as they seemed to know where they were and made themselves right at home, there seems to be little doubt that they are either the same or some of the many broods that have been reared there.

To Assist the Farmers

The business men of South Paris have asked the local Public Safety Committee to provide means to assist the farmers in planting and caring for an increased acreage of the necessary crops this season. Last year Paris increased her normal acreage by about 12 per cent.

A business man's committee has been drafted to secure from 100 to 150 men from this village, who will be transported in volunteer automobiles to and from the farms nights and mornings, to help plant, hoe and harvest. This committee will secure the men and distribute them in such numbers as required. The farmers will pay for such labor at 25c per hour, or \$2.50 for a nine hour day and furnish no meals for the men unless they wish.

The committee on farm labor is Percy F. Ripley, chairman, Leslie L. Mason, Harry A. Mayton, A. Frank Goldsmith, Chas. W. Bowker and Nelson G. Elder.

If the farmers need help from this committee and are willing to plan farming on this basis, they are requested to send in application for men by May 20th to Harold T. Briggs, at the Paris Trust Co., who has been drafted for the secretary of this committee work.

A letter from Joseph Andrews, our friend in Ohio, who writes the interesting sketches of his visits with Oxford County people in Fryeburg, Lovell and the west where he lives, tells us the following: "I leave Marietta, Ohio, April 30 for Hurley, Turner County, South Dakota. I expect to visit one day with friends at Newark, Ohio, and over Sunday with the Healds at Madison, Wis., and arrive in South Dakota May 7. My renter writes me that he pays his hired man \$65.00 a month and board for the season of about six months. How is that for the high cost of farming? As you saw fit to place me in the 'Liar' column in regard to my low cost of living, I think that in the interest of fair play you might publish at least a part of my last letter. The letter perhaps was rather long to be published entire, and you have my permission to cut it down. My renter writes me from South Dakota that the prospects for a good crop year are very fine. We have the letter referred to which Mr. Andrews wrote some time ago and one of these days will be printed in full. You will want to be on the watch and read it.

Left an Estate
 Mrs. Cora Pike of Lynnfield, Mass., a former Norway woman, the widow of the late Dr. C. L. Pike, who practiced in Norway several years, and moved from here to Saco, has been left by will practically all the estate of Daniel G. Harvey of Lynnfield.

Mrs. Pike went to Lynnfield about six years ago and became a tenant in one of Mr. Harvey's houses.

Mr. Harvey died on Feb. 26, at the age of 61 years and left an estate estimated at \$8,000 real estate and \$1,000 personal property. In the will the son, Harold B. Harvey of Chicago, was bequeathed \$500; to Mrs. Cora Pike the will gave \$4,000 in cash and the parcel of land and buildings situated on Salem street, Lynnfield, where she had been a tenant with the instruction that the mortgage for the amount of \$3,000 on the property be paid out of the estate.

To his wife was bequeathed the rest of his estate, the wording of it being "all the rest and residue of my real and personal estate I give to my beloved wife, Emma C. Harvey, absolutely." The will was executed Jan. 5, 1914. The Judge of the probate court after hearing the recent appeal of Mrs. Harvey against the petition for the probating of the will, declared that "upon investigating, the matters relied upon by the appellant it would appear that they are a proper subject for a judicial inquiry before a jury."

The case now goes before the Supreme Judicial Court, which will frame issues for a jury trial. Mrs. Harvey and her son have engaged counsel and so have Mrs. Pike and the executor.

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

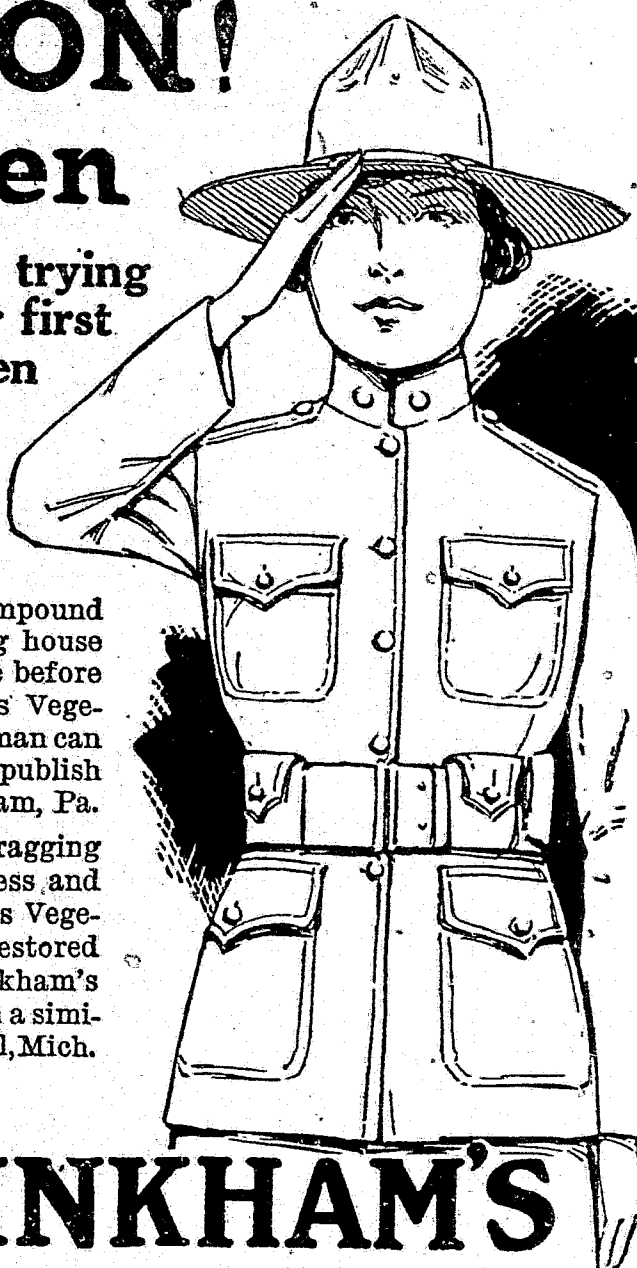

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. R. CRUZLING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HEIM, R. No. 6, Box 88, Lowell, Mich.
